**Ancient Order of Hibernians (Irish Catholic Society)**

**Arrangement**

Items are housed in one archival box and 26 flat boxes, occupying approximately 19 linear feet of space. Ledgers and the Athletic Game entries, which are oversized, are housed in flat boxes. Loose materials are housed in the archival box.

**Scope and Content**

This series includes the records of the Ancient Order of Hibernians. Records housed in the archival box include: Applications for Membership, 1898-1930s; Receipts, 1902; Transfer Cards, 1889--1907 ; Bylaws, 1925--1932; Correspondence, 1922--1936; Publications; Centennial information, 1994. Housed in flat boxes are: Athletic Game Entries; Ball Committee Reports, 1894-1923; Membership Lists, 1875--1929; Dues Records, 1872-1899, 1905-1907; Sick Members, 1901-1902; Secretary's Reports, 1875--1938; Standing Committee Reports, 1897-1916; Treasurer's Reports, 1875-1952; Trustees Reports, 1894-1939, Ball Committee Records; Minutes of Waltham Citizenship League.

This series offers a good look at the operations of the club with a large list of membership names that may be useful to genealogists. The bulk of the collection consists of the ledgers of the club (Secretary's and Treasurer's Reports etc.) There is a slim folder of Publications, which is worthy of note primarily for the Golden Jubilee Program, 1925.
