

SERVICE
POLICE DEPARTMENT

This series includes very limited information about the Waltham Police Department. Among the materials found here: a booklet for Chief Francis Dacey's testimonial dinner, 1970; a booklet for the Waltham Police Association Annual Ball, 1964; the 100th anniversary booklet of the Waltham Police Department, a photo of officer Raymond Thompson; 1921 Rules and regulations of the Police Department; Waltham Police Association Business directories, 1973, 1983, 1985-1991.

The business directories include primarily advertisements for area businesses. There is also some information about the police with photos of events and department members. At the end of the books are Waltham Street directories describing street locations.
